I will be out of the country on vacation until Thursday, April 26. I will have extremely limited access to email and most likely will be unable to return any messages until Friday, April 27.

If you are interested in getting more information on any of our programs please call our Hope Line at 816-916-4434.

If this is an emergency, you can contact my supervisor, The LIGHT House President, Russell Martin at russellm.lighthouse@mbch.org<<mailto:russellm.lighthouse@mbch.org>>.

Thank you so much for your understanding.
